To: Neel Mehulkumar Prajapati <neel.prajapati@unb.ca>;Rahul Mittal <rahul.mittal@unb.ca>

Hi Neel and Rahul,

your presentation was excellent! You provided good motivation (via video games), gave a good high level discussion of compression, clearly discussed low-level details of your implementation, and then outlined well the options for parallelization. Next week I'm available in the lab on Monday (from about 3 to 4:15 pm) and in my office during class time on Thursday for help with your implementations.

Eric
